CERTIFICATE OF OCCUPANCY

Re: Property at: 230 Rosanna Rd, ROSANNA – STAGE 2

This is to certify that the work contracted by yourselves to Team Antennas at the abovementioned property has been completed.

This job has been commissioned for a Integrated Foxtel Digital / FTA (MATV) system according to Foxtel Specifications.

Upon completion, the entire job was tested and has passed the standard set by Team Antennas Pty Ltd.

Please note that all outlets have at completion a reading of 60-70db.

All work completed at the abovementioned property is covered by a twelve (12) month warranty on all parts and labour.

A PROLOGIC Full HD (High Definition) TV Antenna was installed as part of the installation conducted by Team Antennas. The Prologic HD TV Antenna is covered by a 10 year manufacturer's warranty.

Please note that if the system is tampered with or is interfered with by any person other than a Team Antennas technician, the warranty will immediately become void.

Yours faithfully

Jason Basso
Director
