

WARRANTY DOCUMENTATION

Gilgen Automatic Door Operator

The Gilgen Automatic Door Operators, as per the "unit serial number" referred to in this Warranty, has been manufactured from high quality materials and under the strictest quality system. Prior to dispatch for installation, the Operator was checked and tested and is warranted to be free from defects in materials and workmanship from the date of commissioning, on the following basis.

1. Doorways Pty. Ltd., or its authorised Agent, will undertake to replace, at its discretion, all parts, other than external Electrical Switches or attachments, which prove to be defective due to faulty manufacture for a period of two (2) years, effective from the date of commissioning. Except for the first 12 months of this Warranty period, a charge for will be made for any labour associated with implementation of this Warranty, at charge out labour rates which are current at that time. The decision as to whether defective parts should be repaired or replaced will be solely that of Doorways or its Agent.
2. This Warranty, is in lieu of any other Warranty, whether expressed or implied by Agreement or Law and is automatically invalidated by occurrence of any of the following circumstances;
 - a. any party, other than Doorways or its authorised Agent, commissioning or servicing the Operator.
 - b. the inclusion of any Sensors or Photo-electric Safety Beams in the installation with the Operator, other than those supplied by Doorways.
 - c. misuse or abuse of the Operator or defects caused by War, Fire, Flood, Earthquake, application of incorrect Power Supply, or acts of God, acts of Third Parties, subsidence of Building Structural or Electrical faults or Unusually high Electrical Power Surges, where the Operator is installed.
3. To be validated, this Warranty must be registered with Doorways Pty. Ltd., at 119 Metrolink Circuit Campbellfield Victoria 3061, by completion of the details shown below and returning a copy thereof.
4. Doorways or its Authorised Agents will not accept claim for damage direct, indirect or consequential, in respect of supply of the Operator, which shall exceed the Nett Invoice value of the Operator.
