BUXTON CONSTRUCTION
ASSISI STAGE 3

Safety Rails Australia guarantees all materials and manufacture of its products against defects for a period of ten years from the date of purchase.

Safety Rails Australia does not accept liability for any of the following:

1. The failure of the purchaser to meet standard installation requirements
2. The results of inappropriate maintenance
3. Any costs involved in the removal or replacement of faulty products

As per maintenance instructions the grab rails and Sanitary Accessories shall be cleaned [as they will in any hospital] with a soft cloth and non-corrosive type cleaner i.e.: disinfectant.

Kind Regards,
Stephen McGowan.
