Stage 3 FRL Compliance

I wish to confirm all following item have been installed and operational in compliance with Waterman Consulting Engineers documentation issued for the Stage 3 works and current AS standards.

- All penetrations through fire/smoke walls and floors have been treated and sealed with products to maintain the FRL. All sealants and caulking are compliant to AS 1530.4 & AS 4072.

Regards,

A handwritten signature in black ink, appearing to read 'Steve Horvath', with a long, sweeping underline.
